Schmidt Vocal Arts Awards Scholarships to Singers Pursuing Careers in Vocal Arts

William E. Schmidt Foundation Funds 18 Students with Need-Based and Merit Scholarships

(Evansville, Ind.) July 1, 2019 – The William E. Schmidt Foundation has awarded college financial assistance through its **Schmidt Vocal Scholarships** program to a diverse group of young singers, supporting their continuing education as vocal artists. For 2019-2020, eighteen new awards were made with a four-year value in excess of \$427,000; scholarships ranged from \$1,000 to \$20,000 per year, renewable annually. When combined with prior scholarship awards for students currently in school, the four-year value for Schmidt Vocal Scholarships exceeds \$670,000.

Need-based scholarships, which are typically awarded to winners (top three places) of Schmidt Vocal Competitions, reduce the scholars' burden of borrowing and lessen funding gaps between cost and ability to pay. Scholarship recipients major in Vocal Performance and maintain a minimum 2.8 GPA. Students also benefit from financial aid advising by the Scholarship Manager for Schmidt Vocal Arts.

This year's Schmidt Vocal Scholars will attend prestigious music conservatories and universities including Juilliard School of Music, Mannes School of Music, New England Conservatory of Music, Berklee College of Music, San Francisco Conservatory of Music, Cincinnati College-Conservatory of Music, Oberlin College, Belmont University, Stetson University, Miami University of Ohio, University of Michigan, Oklahoma City University, Northwestern University, University of Nevada Las Vegas, University of Texas, University of Minnesota, and University of North Carolina. Scholarship recipients represent a wide variety of states including Wyoming, Colorado, North Carolina, Texas, Tennessee, Florida, Kentucky, and Ohio.
