## Schmidt Vocal Competition Modified Submission

### **Accompaniment Options**

Schmidt Vocal Arts recommends that singers submit videos recorded with a live pianist, but we do realize that some families may have difficulty finding, booking, or paying for a pianist during the Covid-19 pandemic.

If you are unable to record with a live pianist, we will allow singers to record their performances with a track. Here are a few options:

1. "Order" a Schmidt pianist! We have wonderful pianists in our Schmidt Vocal Artists network. The pianist who was originally scheduled to play your competition cohort can also record your music for you. Schmidt Vocal Arts will provide this service without an additional fee, but singers must "order" their pianist by the appropriate deadline (see deadlines PDF). Please contact us at [info@schmidtvocalarts.org](mailto:info@schmidtvocalarts.org) if you would like this service.
2. Use an online track from an app like [www.appcompanionist.com](http://www.appcompanionist.com). Any fees associated with this app or other sites would be paid by the registered singer.
